**DECEMBER 2025**

Hello! I hope that each of you had a very Merry Christmas filled with faith, love, and joy. Three traits to bring with you into the new year. Speaking of the new year means a new beginning and resolutions are being considered. A Resolution is a firm decision to do or not to do something... keep in mind what you could do to add to our Altrusa club. January is when a nominating committee is developed to search for candidates for upcoming vacancies on the club board. You could serve on the nominating committee or maybe even consider serving on our board. Or you could chair a project. There are so many options coming your way for the New Year. Let's enjoy 2026 together.

Happy New Year,  
Nancy

### A Simple Christmas Tradition *(written by members of our club):*

**Bea Goyette:** After my dad died, I really couldn't handle Christmas for several years, so we traveled - New York, Washington, DC, San Francisco, San Diego, Rome. Paul and I and Barry. It was fun and interesting. In DC, we stayed at the hotel directly across from the White House. We had adjoining rooms with balconies overlooking the White House. The door to our balcony was locked and we could not use it. Barry's was accessible and apparently, he was out there with his camera, extended lens, taking photos. Suddenly, there was a loud knock on our door. I opened the door and was surprised to see hotel security, DC police and Secret Service members. They came into the room and searched everywhere including under the bed and in the closet. Then they accessed Barry's room and searched it. Evidently the Secret Service members stationed on the roof of the White House saw Barry on the balcony and were concerned about his intentions because the president's 3 helicopters were on the lawn ready to fly. Barry and I followed the agents out of the hotel as we were going for a walk. Barry made a smart aleck remark about doing it again and the agents politely suggested that was not a good idea. Scarey, in the moment, but very funny in retrospect

**Melinda Aguirre:** Growing up in Texas in the 1960s, Christmas at our house didn't come with fancy stockings or expensive gifts. Instead, my dad would hand each of us a brown lunch bag filled with small treasures — an orange, a handful of peanuts, and a few pieces of candy. It was humble, but it was full of heart. Back then, an orange was a special treat, and those little bags were his way of sharing joy from his own childhood traditions. Today, that memory reminds me that the spirit of Christmas isn't found in the size of a gift, but in the love behind it. Those simple paper sacks taught us gratitude, generosity, and the beauty of celebrating with what you have. And even now, the scent of an orange or the crinkle of a paper bag brings back the warmth of those Christmas mornings — a reminder that the simplest traditions are often the most meaningful.

**Stacey Bassett:** Christmas memories for me are a lot and I carry them in my heart and mind every year. Even though time has definitely changed, I still spent every Christmas with my cousins, aunts, uncles, parents and of course my Grandparents... A few things that trigger, to me, memories...My Grandparents doing stockings with tangerines, mixed (the real nuts, not in can) and chocolate coins. Queen Anne Cordial Cherries (my grandpa loved them and so do I). Also, My Grandpa always started Christmas Dinner and Thanksgiving singing the Doxology. He would look around the table with a big smile on his face and tears in his eyes. So, Christmas or Thanksgiving I spend with my mom or her side of the family; we always sing that in his honor... Those holidays are very important to me and I'm glad I have great memories that I would never trade for the world.

## LITERACY

### Literacy in Action

From June through December 2025, Altrusa of the Central Coast proudly gave away approximately **5,500 books** to children in our local community. Through our club literacy projects and **ASTRA book giveaways**, we reached **5,500 kids**, each receiving a book to take home and call their own. The joy on a child's face when they receive a book is something special. For many, it's more than just pages and pictures—it's the chance to read someone else's story, hear someone else's voice, and discover new worlds through reading. These moments spark imagination and nurture a lifelong love of learning. Providing books for children to read at home helps strengthen literacy skills and opens doors to curiosity and creativity. Every book placed into small hands is a step toward a brighter future. As we move into the new year, our commitment to literacy continues. Together, let's keep the momentum going and reach another 5,500 kids in our community, sharing the gift of reading—one book at a time.

## SERVICE

**RECURRING SERVICE PROJECTS:** The following list are recurring monthly projects. Our club is always collecting **RX bottles, aluminum tabs and bedding for Sleep in Heavenly Peace**. Please bring them to our business meetings. Aluminum tabs go to Stephanie- RX bottles go to Bea-and Melinda gets the bedding. Thank You!

**Alzheimer's Walk Recognition-** *(one of our yearly **service** projects that is ongoing)*

Bea Goyette received two awards this year for her outstanding participation in the Alzheimer's Walk. With the generous support of our club and foundation, Bea was able to reach her fundraising goal in loving memory of her husband, Paul, who lived with Alzheimer's disease. Bea shared that participating in the walk makes her feel she is truly helping a meaningful cause reach its mission, and we are grateful to have supported her dedication and commitment.

## Hope Village Christmas Stockings

The spirit of giving was alive and well this holiday season as Altrusa members came together to assemble Christmas stockings for the residents of Hope Village. The stockings were put together at Sunday Ballas' church, with the help of fellow Altrusa members and Sunday's church friends. Thanks to everyone pitching in and donating items, the project came together quickly and smoothly. Tables were filled with an abundance of thoughtful donations, making the assembly both easy and joyful. On December 19, members worked side by side to fill each stocking to the brim. Every stocking included a generous assortment of items the Hope Village residents would need, want, enjoy, or eat, ensuring each gift was both practical and heartfelt. The completed stockings were delivered to Hope Village on December 22, just in time to spread holiday cheer. This project was a wonderful reminder of what can be accomplished when members come together with willing hands and generous hearts—making the season a little brighter for our neighbors at Hope Village. ## Celebrating 3,000 Beds of Hope

Since opening on January 15, 2022, the Sleep in Heavenly Peace chapter has made a tremendous impact in our community, recently celebrating the delivery of its **3,000th bed** on December 3, 2025. Each bed provides comfort, dignity, and a safe place to sleep for a child in need. Altrusa of the Central Coast is proud to support this mission through donations of sheets, pillowcases, and blankets this past year. Our student clubs have also rolled up their sleeves—Astra of Pioneer Valley has participated in three bed builds, and Astra AHC has joined two so far. Volunteers of all ages make these builds possible, proving that when our community comes together, incredible things happen.

**Next build: The Home Depot – SLO, Saturday, February 21, 2026.**

*"Volunteering is the heart of a strong community—and every helping hand truly makes a difference."*

### Youth Leadership Committee

The Days for Girls Youth Leadership Committee was created in 2025 to bring youth voices and insights to the heart of our global work. This advisory committee plays a vital role in amplifying the impact of our mission and deepening our commitment to meaningful youth engagement. Our Youth Leadership Committee comes from a diverse range of backgrounds, each bringing their unique experiences and perspectives on menstrual equity. There is currently eight board members that are from diverse college institutions.

### Key Committees for a Strong Altrusa Club

Altrusa International's Encyclopedia recommends that each club establish three essential committees: a **Service Committee**, a **Membership Committee**, and a **Literacy Committee**. Depending on the size and needs of the club, the Service and Literacy Committees may be combined. These committees are considered the most important to ensuring the club operates smoothly and fulfills its mission. They provide structure, encourage member involvement, and help guide meaningful service and literacy projects throughout the year. All committees should be made up of club members, allowing everyone the opportunity to share their skills, leadership, and passion for service while strengthening the club as a whole.

## “CELEBRATING 70 YEARS”

**ALTRUSA INTERNATIONAL NEWS-**Why WE choose Altrusa (taken from *altrusa.org* website):

“Leading to a better community”

We believe that everyone is able to make a positive difference to the world around them. We can each volunteer our time, or donate our money, towards worthy causes. Our individual efforts are small, but they matter.

We can achieve even more when we bring people together. For over 100 years Altrusa clubs have collected members from varying occupations and lifestyles, all sharing an interest in community service.

We enjoy the friendship, fun and satisfaction that comes from working together for the benefit of others. Each club develops a program that is tailored to local needs, undertaking a variety of hands-on service and fundraising projects each year. One of our shared goals as an organization is to improve literacy, which we believe is the key to opportunity.

Through Altrusa activities we develop our leadership skills in a supportive environment. We welcome new ideas and aim to provide enough flexibility so that our members can give their time in a way that works for them.

### FESTIVAL OF TREES-IN APPRECIATION

#### **A Big Thank-You to Nancy and Our Wonderful Volunteers**

A heartfelt thank-you to **Nancy**, our Festival of Trees scheduler, for doing an outstanding job coordinating all the volunteer shifts. She called, texted, and followed up to ensure every spot was covered and the event ran smoothly. And thank you to all our **club members** who answered the call and stepped in to help. It truly takes a village, and we are grateful for each one of you who helped bring it all together!

## NOVEMBER-ASTRA Club of AHC by Melinda

### 12/5-Astra AHC Assembles Gift Bags

At the December 5 meeting, **Astra AHC** members assembled eight gift bags, and wrote out a christmas card and attached to the outside of the gift bag, for Mr. Nava's special education class as one of our club projects. Using the students' "wants" list from Mr. Nava, the members had fun putting the bags together while learning valuable lessons in teamwork and leadership.

### 12/6-Astra AHC Shines at the Parade of Lights

On December 6, **Astra AHC** members were busy at the Parade of Lights! They helped set up and decorate a tree, assisted other organizations with their canopy lights, handed out tickets and candy canes, and pitched in with tear-down. Along the way, they enjoyed interacting with Astra PV students, making it a fun and collaborative event for all.

## 12/9-A Special Visit to Festival of Trees

Mr. Nava's special education class of eight students toured Festival of Trees and were treated to a story by our member Melinda. The **Astra AHC** club assembled gift bags filled with the students' favorite things, and member Sinai volunteered to help make the event extra special. Mr. Nava was pleasantly surprised by the attention his students received. The kids were thrilled to see the beautifully decorated trees and enjoyed the story— and we can't wait to welcome them back next year!

## 12/9-Later that day...

Vocational Training Center brought in 6 mentally handicapped adult students to tour the trees. **ASTRA AHC** Student Sinai walked them around and pointed out all the different objects and colors on the trees.

## **NOVEMBER-ASTRA CLUB OF PVHS by Melinda and Tyler**

### **12/5- ASTRA PV Christmas Cards for Seniors**

On December 5, ASTRA PV students turned in their Christmas cards for senior citizens at the ASTRA meeting. A total of 30 beautifully written cards were completed and collected, with each student filling out two cards. The cards were thoughtfully written and often included stories from the students' daily lives. In many ways, this activity served as a form of journaling—helping students reflect on their experiences while sharing a personal connection with the recipients. Melinda delivered the cards to Valley Oaks Skilled Nursing Facility, where they brought warmth, joy, and companionship to residents during the holiday season. These heartfelt messages remind seniors that they are remembered and valued, especially during the holidays. This project was meaningful for both the students and the seniors, creating a simple yet powerful exchange of kindness across generations.

### **12/6/25- ASTRA Volunteers at the Parade of Lights**

On December 6, eight ASTRA PVHS members volunteered to man a table at the Parade of Lights, spreading holiday cheer while promoting our Festival of Trees (FOT) fundraiser. Guests were invited to take part by receiving free tickets for a chance to win two beautifully decorated trees. We were joined by ASTRA of AHC, and it was especially rewarding to see high school and college students come together, work side by side, and share in this volunteer opportunity. Members helped with setup, teardown, explaining what FOT is all about, and distributing tickets, making the event run smoothly from start to finish. A special highlight was the bilingual skills of the ASTRA PVHS students, which allowed us to connect with even more community members. By the end of the evening, a total of 120 free tickets were given away. This collaborative effort showcased leadership, teamwork, and community engagement—proof that when students come together, great things happen.

### 12/7 and 12/13- ASTRA PV Volunteers at Festival of Trees

On December 7 and 13, ASTRA PV students volunteered their time to assist Altrusa members at the Festival of Trees (FOT). Due to limited space, only three student volunteers were able to work at a time, but their impact was significant. The students helped with a variety of important tasks, including creating labels, handing out “Vote for Your Favorite Tree” slips, counting votes afterward, cleaning up, and returning chairs and tables to their places. Their willingness to jump in wherever help was needed made a big difference. Each year, ASTRA students support Altrusa members during FOT, and they continue to be an invaluable part of the event’s success. Their dedication, teamwork, and positive attitude are a tremendous help to our club, and we truly rely on their support year after year. We are grateful for these students and their continued commitment to service—FOT wouldn’t be the same without them.

### 12/17- ASTRA PV Volunteers at the Mall Kids Event

On **December 17**, ASTRA PV students volunteered at the mall, providing a fun and meaningful service opportunity that allowed them to interact directly with the community. This volunteer outlet gives students the chance to **give away 150 books**, **help children create a craft**, and share in the excitement of each holiday-themed activity. A total of **15 eager volunteers** showed up to help children select a book to take home and assist with the craft project. One favorite task was helping little hands peel the backing off stickers so children could proudly place them on the main page of their craft. The evening was both **fun and informative**, and the volunteers truly enjoyed spending their **Friday night** making a difference. Their enthusiasm and willingness to engage with families created a welcoming atmosphere and helped make the event a success for everyone involved.
